### The Premises:

A private flat within a block. The room is the one pictured with Lara on the bed.

### The Lady:

Lara was exactly as pictured. A slim and petite Hungarian lady, probably early 40s with pert B cup breasts. She had a lovely little figure, but she wasn't gym fit.

### The Story:

This was a plan C punt and one where I took a chance. The major problem was the language barrier. The session started well with Lara tickling my balls by request rather than going straight in with oral. She gave me some strange looks, but she could see it had the desired effect. I thought about letting her continue with a slow hand job, but then asked for sex in doggy position. She turned me down because of size so she put the condom on and started to suck and masturbate me. It wasn't going well so I asked her to revert back to a hand job. She took the condom off and I eventually came. I kept things as easy as I could.
