The Premises:

Small, modern flat just off Paddington Station. Clean bathroom and bedroom. Parking on nearby street available in the evenings. Neighbourhood quiet and secure.

The Lady:

Paris is as petite as they come. Think Romanian Olympic gymnast. Small breasts and tight body. Assorted tats. Very clean and as appears on site pics and vids.

The Story:

Paris was very welcoming and also very business-like. Not a bad thing in hindsight as she was very clear about how she wanted things and what was on offer. After a quick shower, we got straight down to business. She gave the nicest BJ I have experienced.....firm and warm and all-enveloping. We then followed through to 69, then missionary then doggy. With 15 mins of my hour left, she reminded me she could not go to the last minute so we finished with an explosive HJ on her belly. A relaxed bit of chatting rounded off the hour. She has a lovely tight body with small boobs. A delight and highly recommended
