### The Premises:

Bamby's flat is lovely, very spacious and comfortable, with excellent facilities. Easy to find and pretty much equidistant between Gloucester Road and Earls Court stations. Felt safe and secure.

### The Lady:

Bamby is the girl in the picture, incredibly beautiful and very natural. The pictures are obviously enhanced as they always are, but she is one of the most naturally beautiful girls I've seen in a while. Speaks a good level of English. Her body is all natural too. She's 23 years old.

### The Story:

Bamby greeted me wearing black lacy lingerie with silk robe. She was very attentive. Kissing was lovely and passionate. After a shower we got down to some serious foreplay. Exploring her body through her lingerie and feeling how wet she became was a real turn on. She went down on me on the bed and it has to be said, this was one of the only girls who has been able to swallow my entire length. It was like watching a magic trick, and felt even better! Her OWO skills are sensational.

I knew this was going to be spectacular, and I already knew where I wanted to finish! WE had sex in missionary and from behind and it was so passionate and felt very genuine. Bamby made gentle noises and looked into my eyes regularly when we were fucking and this was incredibly hot. I pulled out when I became tired and she took me in her mouth again. I finished by literally fucking her face right up to the hilt and blowing my load in her mouth. She came up for air and hugged me close and rested her head on my shoulder. It was very clear she had swallowed the lot!

After a little rest we were at it again with me taking her from behind and massaging her beautiful body. Her boobs feel great too, full yet not too big. I was urged on by Bamby and soon came again in this position. A great girl, wonderful booking.
