The Story:

This was a while back and I met Ophelia when I finished my time with Effy. Ophelia was in the main area naked and just putting her panties back. I was aroused at the sight and we spoke and I said I would book her if she would like.

So, a week later and in the room she comes. Like Effy, she is very sexy but while my time with her was more slow and sensual, Ophelia told me she wanted a good hard fucking and a spanked bottom. During our time we did 69, rimming, fingering, face sitting but mainly vigorous fucking in different positions (especially doggy) and me spanking her horny, sticky out bottom. I had a great time but was absolutely knackered by the time I shuddered to a climax at the end. It took me a few hours to recover! She's lovely but you need to be fit :)
