HOD 2 as per umpteen other reviews, clean, fresh towels, well run. Good shower.

### The Lady:

Website photos are old but this was not an issue for me as an HOD regular and that Apple has so many excellent reviews. She still has a delicious body and a filthy attitude. Great fun and company. Having said that, I am a fan of the accurate twitter photos the ladies put out on the day.

### The Story:

This was back in May but after seeing Angel last week I've now managed to review my 3 other HOD visits from the recent past.

On entering the room, Apple and I quickly established a rapport and she was bending over, pulling off her panties and showing me her pussy and bum hole. Delicious! For a while, Apple sucked me off in front of the mirror, flicking her tongue out and also stroking and sucking my balls. She then squatted over me and did a wee wee. Like Ella (previous review) she is very well hydrated and knows what she is doing. She can pee at will and also enjoys receiving oral and a good bum hole rimming. I had a great time and we also did 69, cowgirl, reverse cowgirl and loads of doggy. A delightfully filthy time. She finished me off as I stood while she sucked me in front of the mirror. I had a shuddering climax. She told me anal was extra and I may take her up on that in the future. There is a reason she has so many great reviews.
