The Premises:

Flat in central MK, clean well presented

The Lady:

Sexy curvy body, large boobs (fake), average face, nice smell, friendly and chatty.

The Story:

Not the usual standard of service that I have grown to love from girls at Annabellas escorts. Isabella did not french kiss, wouldn't let me touch her pussy or finger her and every time I went to kiss her breasts or neck she pulled away and have a disapproving grunt. This was a massive turnoff and led to an average punt. She also kept her hand between me and her during sex a other turnoff.

Everything felt a little mechanical as she was just lying there waiting for it to finish.

Covered bj, daty, missionary and doggy.

Isabella has a sexy bod and is friendly and chatty but her service is disappointing.
