### The Premises:

The big room at Massage Northampton. Please described before, off a main street, but doesn't feel too obvious. The room had a shower (and bath), and a good size bed.

### The Lady:

Now has short hair, but an absolute MILF (and babe). Dahlia is in her 40's, and obviously looks after herself.

### The Story:

I felt like I needed to reward myself, and luckily for me, Dahlia was on the schedule. It had been a few years since I last saw Dahlia, but she hadn't changed much. Still looks great, and still has a great personality. I booked an hour, went in, had a shower and waited. Dahlia strolled with the confidence of someone that owns the place, and was such a welcome sight. Dahlia has a great personality, and really put me at ease.

The kissing, touching, and the oral sex was amazing. There was also some dirty talk. And being in a 69 with Dahlia is one of my favourite places to be. She has such incredible technique, seems to know when change the speed or pressure, and she is a pleasure to go down on basically. If my frenulum (the one if my mouth!) isn't sore the next day, I haven't spent long enough enjoying Dahlia's pussy.

We finished with great sex in the missionary position, in front of the mirror. For me, a fantastic end to a great day.
