### The Premises:

### The Lady:

Nancy was described as a pretty and slim 28-year-old English brunette. And that's exactly what turned up at my hotel door in London. Pretty, slim and ample and well-dressed. What more could a man want.

### The Story:

It's been a long two years since my last punt. The pandemic has put a stop to any fun. After my two jabs and thinking carefully about the risks I decided to have a little adventure. I've used 00-44 a few times in the past and they have always come up trumps. The website isn't the slickest one or the one with lots of seemingly pretty East European ladies but what you see and hear is what you get. They are honest folks who understand the punter's needs well. 00-44 will even arrange for the lady to take a LF test. I of course did one as well. doesn't have any pictures on the site – like many of the ladies -as she is concerned about her security. After a quick and easy call, I decided to take their recommendation. I was not disappointed.

I had asked for Nancy to dress nice and wear nice black underwear. We agreed for her to play the "bored hot young wife" and she fitted the part to a tee. The foreplay was long and sexy with plenty of hugs and kisses and a slow undress. Nancy was really like a girlfriend taken home after a night out and bedtime romps that followed did not disappoint. A lovely few hours with a very sexy lady. Thank you, Nancy, and thank you 00-44 for yet again delivering a great evening.
