A basement flat not too far from Earl's court station .easy to find ,the room is a bedroom & kitchen. With a toilet& shower the room has a large bed with a big mirror along one wall which is great for some views

The Lady:

Leticia. Is a Russian lady of about 27yr is about 5ft 7in tall with a curvy body nice boobs I would guess to be about 34 c size has gray/green eyes & long hair highlighted blond / brown .she has a curvy figure, with a very nice pussy which I found to be very lickable. She matched the pics on the web site so no surprises there. The meeting was very easy to do over the phone with the receptionist at babylon. I had looked at a couple of others on the same web site but they were on a day off . But the receptionist recommended leticia. Who was available

The Story:

Arrived at the place leticia met me at the door with a nice pink slip & pink panty . We went into the room & sorted out the paperwork. Was offered a showe which I had . She offered me a nice clean folded towel. Returned to the room leticia was waiting for me I held her close she smelt of Rose's we kissed and ran my hands up and down her body the nice perky tits stood out and has a nice bum which I was looking at in the mirror which is along one wall. She asked if I wanted a massage first which I declined, and decided to get right in I dropped my towel and let her work on my manhood looking up with her lovely eyes, we moved to the bed kissed giving me DFK .she move back to my cock & continue to suck & lick .also the balls too I had to stop her or I would have come .but wanted to see the pussy next moved to 69 its was nice . Not all hanging out like some I've seen but nice & round .at this point I moved to asking for a condom which she applied. She got on top for a bit of cowgirl. Then moved onto a few other positions. She moaned nicely .her boobs where so very nice so went back to having a BJ then covered her boobs with mayowe chatted for a while you have to speak a bit slower but leticia understands I found her a really nice russian girl would do anything to please you ,its good that she is no clock watcher as we ran over by a few mins . I showered again before I went. She gave me a peck on the cheek .I really enjoyed my time with her 10 out of 10 . I may just go back again thank you leticia of a nice afternoon
