The Premises:

House of Divine 10 min walk from Victoria station. The flat is nice and clean, was offered a shower and a drink. The lady at reception was most welcome and super kind. Put me at ease straight away

The Lady:

She is exactly as in the pictures, with a beautiful face and a kind voice and amazing boobs.

The Story:

I have to be honest, this was my first time ever in this kind of experience.

I had read review on this website about Morgan and could not resist but book 45 minutes with her. I got there, had a quick shower then waited for Morgan in the room. A few minutes later she comes in looking stunning in red lingerie. I was nervous but she made me feel comfortable with a nice warm hug and some banter before we got to do the thing.

We lay in bed together and with some nice strokes Morgan got me hard. Next thing I know she has me in her mouth and is adding some great sensuous licks. We did a bit of 69 and she tasted great, while she kept working with my shaft. Eventually I asked her to mount me and we had a few minutes of her on top and I had a great view of her boobs and her gorgeous face. We did a bit of mish and doggie but sadly I didn't seem to be able to finish. Morgan asked me to lay down and got to work on me again with some oral and a handjob. Time ran out before I got to pop but it was by no fault of Morgan at all! She was absolutely fantastic, I just normally have time finishing.

It was still a super enjoyable first experience for me and I will definitely book Morgan's services again at some point.

She walked me to the door and gave me a warm goodbye, all I can do is thank her for what an amazing experience
