The Premises:

A nice tidy place near Preston city centre. Good parking nearby.

The Lady:

Alex is a nice-looking lady in her 30s. Prob about 5ft 6in height. She was dressed in fishnet stockings and black knickers and a bra.

The Story:

First, she gave me a massage she was good at this. I had a play with her tits and fanny and kissed her on the lips. I gave her oral she loved that. She had a good long suck at my cock she said that was her specialty. We then had sex in mish.
