The Premises:

Well presented parlor in the middle of a row of shops. Friendly welcome, clean and well appointed rooms . Plenty of free on street parking

The Lady:

Beautiful Russian lady, 30 seems to be a good indicator of her age. A real hidden gem - photos don't show a lot but much better in the flesh

The Story:

I was early and just getting out of the shower when Angela came in. She immediately took over the drying duties and then slipped off the little red dress to reveal an amazing body. She wanted to massage me first and who was I to refuse! After she lay down next to me so I could go down on her whilst she subjected me to the most amazing oral ever, this went on for a while and i wasn't complaining. On with the cover and she climbed on top and played with herself.

I then took over and finished off with Angela and the amazing body in full view.

Didn't really want to kiss any more than a peck but still couldn't fault my time with her. We cuddled a little after to use up my time and will definitely be back.
