### The Premises:

Comfortable clean apartment in Central MK with shower avail. Found ample cheap car parking (can use parking app) just 5min walk away

### The Lady:

Late 20's ebony girl, very attractive, curvy petite figure with perfect 32FF boobs and luscious red kissable lips. Her pix represent her look very well. Has long straight blonde hair & flawless skin with a few tattoos and nose ring. Profile says 5ft 6 but guessing few ins shorter. Welcoming smile and natural easy going personality.

### The Story:

Came in wearing striking red bra/panties and pink platform heels - real eye popping sexy look - and gives you welcoming smile while engaging in some easy going chat. Imagine she must be ideal for new punters in first meet who needs lady who will calm their initial nerves.

Offered me a massage to start which I accepted. She got naked then spent about 15mins on firm but relaxing back, shoulder and leg massage while continuing our nice chat. Felt like I'd known her for years talking to her despite this being 1st time I've seen her. Asked me what I liked which is mostly just vanilla stuff so once massage over, got into some nice slow OWO which feels great with her lovely red luscious lips wrapped around your todger. Combines it with ball stroking which I love - bit too firm at first but then eases off to ensure it's how you like it. Clearly very responsive and attentive to make sure it's at the most pleasurable for you.

Just had to get my hands on her amazing body - lots of kissing, hugging, fondling & sucking her boobs and her fabulous bum, real sight to behold and feel. It's then being up close you notice she has totally flawless skin - not mark, blemish or spot anywhere (save for odd tattoo). Dunno if it's down to nature or nurture but she clearly takes remarkably good care of her figure.

Then onto another session of kissing while deftly stroking my todger to get him even harder for more OWO but this time with her body towards you so you can caress and just generally perve at her magnificent behind. Now ready for bit of cowgirl and doggy - both felt great and after exertions

had to have rest and drink.

Before we moved on, asked her put on her sexy pink heels and parade around naked. Really is quite a jaw dropping cock stiffening sight seeing her like this.

After another kissing & OWO /stroking session I was more than ready to cum so she finished me off with damn near perfect HJ & delicate ball stroking to make me explode. I was surprised to find I still had some time left so opted for shower before departing with last kiss.

Millie gives the impression of a very experienced lady who knows what being top class escort is all about and makes sure you have best possible time. And if you like ebony ladies she has to be one of the best, if not the best, in the area. Everything flowed very nicely and you leave knowing you'll certainly be coming back very soon
