### The Premises:

Kate has recently set up in Marylebone. On this visit she joined me and Busty Charlotte at Charlotte's flat.

### The Lady:

Amazonian sums Kate up. She is a 6 feet tall, with curves in all the right places and amazing large natural breasts. She has neck length dark hair, freckles and a gorgeous smile. As well as being gorgeous, she has a brilliant personality. She had me in fits of laughter from the off. I couldn't stop smiling after meeting her.

### The Story:

This was my first time seeing Kate. She has recently joined forces with Busty Charlotte, to become the #MilfMagets. I wanted her to join Charlotte and myself for an entertaining afternoon and I wasn't disappointed. On meeting her I was immediately put at ease. I've never been with a lady that's as tall as me before and found that the height similarity has its advantages. I loved Kates personality as well as her magnificent body. I'll definitely be seeing Kate again with Charlotte. I can't praise them both enough. If you want some quality time with gorgeous company see Kate or the Milfmagnet team of Kate and Charlotte, you won't be disappointed.
