The Story:

Was in MK doing a bit of shopping and thought let's have a look who's working today at anabellas.

Saw Isabella was on and chose her for half an hour.

I'm an experienced punter around the MK area.

Arrived a few mins early and was buzzed in and welcomed by the maid.

Asked if I could have a shower and was shown to the bathroom. So far so good.

Couple of minutes in the shower to freshen up and give my large tool a quick wash.

A knock on the door and Isabella was waiting, and I followed her to the bedroom.

Wow was my first thought, she was wearing a one piece, she has massive enhanced tits, nice body, juicy peachy bum. And speaks good English.

She asked for the money m fair enough, which from August anabellas have increased their prices by the way.

She Then left the room for a few minutes I guess to give the maid the cash and returned with a glass of water.

I was a little annoyed as the punt started a few minutes late.

Anyway she removed her one piece and I got to work kissing her huge tits and nipples. Then I moved down to work on her pussy which tasted amazing I must say, she was groaning and then asked me to lay on the bed while she gave me a blowjob.

This was OW as she said she always puts a condom on when giving oral.

I was instantly hard, she climbed on top and cow girl and that was a gorgeous sight I must say.

I then bent her over and entered her doggy style then onto missionary.

She advertises GFE on the website but kisses my neck which was a turn on but no DFK.

Now with the prices going up every minute counts, with a few minutes left while I was still banging

her from behind, she said time up I was like what I have five mins left and haven't even cum yet. She then said I have another client in a few mins which I replied I couldn't care less I'm paying for 30 mins and that's what I expect.

So I'm standing there with a huge hard on and she's getting dressed while cleaning herself up ready for the next client.

On this occasion I feel it has to be a negative.

The punt started late, and felt she was clock watching a bit.

It also ended early, so felt short changed.

I know these girls are trying to make as much of the dirty dollar as possible but don't upset your client base or we shan't return.

Isabella has a great body with surgery enhancements and a nice woman overall but she is a clock watcher who will short change you a bit I think.

A disappointing punt that left me annoyed a little
