The Premises:

Rosy's place is a nice flat close to Goldhawk Station (London). The area is discreet. Rosy recently moved to this flat & it was clean & well decorated.

The Lady:

Rosy is dead gorgeous, tiny girl with a slim waist and big soft tits and a very attractive face. Her lovely smile can gladden any soul!

The Story:

Rosy opened the door with a lovely smile on her face and escorted me upstairs. I stripped off in her room & Rosy gave me a towel on my request. All the while Rosy was playfully keeping her eyes closed :) Had a quick shower and back to the room in the arms of this lovely young lady..

I requested to skip the massage and start straight with some action.

Rosy took her bra off and OMG those big and tight breasts were a treat to watch. Rosy started with licking my nipples while rubbing that hot body across my body, every so often she slides down gliding pass my man semi, deliberately enticing it. After what felt like ages of teasing, she dive down and gave me a toe curling blowjob. She sucks hard with a lot of emphasis on the head and was willing to keep going at it for ages, getting me near climaxing and letting me settle back down. She kissed my upper thighs and licked my balls. I felt bit warm in her mouth which felt very pleasant.

I asked for RO and there came Rosy on the bed and I on top of her. I started with sucking her nipples which she enjoyed..and then I grabbed her tiny & tight pussy with my lips and let me tounge pleasure her. She moaned and groaned all the while & she was definitely enjoying it. Her pussy was really wet and the pussy juice was sweet and warm! It was an absolute pleasure to taste that..Rosy came and was very happy..

Rosy then me a another round of OWO and then asked if I wanted sex..On the Dom, I pumped her in miss, all the while hugging her tightly & kissing her..and then the pleasure release :)

Rosy was smiling all the while & was very eager to please..I felt really comfortable with my short-time girlfriend..

I wish the Almighty had kept Rosy for me :)

You are perfect Rosy :) Lots & lots of Love for you..
