The Premises:

Her flat is in the Earls Court area, not far from the station. Comfortable inside, with pretty good facilities etc. .

The Lady:

Karlina is a really nice girl. Speaks very good English. She is the girl in the pictures, but they have been shopped a little. Her skin condition was a bit rashy here and there and overall not good. She has nice full lips and a big mouth, with a lovely smile however. Her body is pretty nice, average in appearance, but slim and attractive. Overall a good session, but nothing outstanding

The Story:

Karlina is a really good kisser, I have to say that. Just the right amount of frenching for me, without trying too hard. And kissing throughout our fucking was very nice indeed. Her OWO was pretty good too, but not as deep as I'd like considering that she is advertised elsewhere as offering DT service. However, I did cum in her mouth at the end of the session and she swallowed the lot, without me asking.
