The Premises:

Owing to the Corona virus the following changes are in place at the Old Coach House:

You must wear a face mask when you enter but you can take it off once inside, a bit like going into a restaurant.

The waiting room is closed, so arrive at the time of your appointment and hope that she is not running late.

Once inside your temperature will be checked and you must use the hand sanitizer.

Having been shown to the room you must have a shower.

The Lady:

Zara has been photo-shopped. She has a fairly large tattoo on her back, which has been airbrushed away. Her legs are not as

long and slim as in her photos. I think her legs look better in the flesh than in her photos.

Fondling a curvy mound of female flesh is erotic. Unfortunately Zara has had a boob job and feeling a lump of silicone

is just not the same.

The Story:

Zara took her tunic off at the start of the session, but left her lingerie on. This was removed gradually as I lay on

my front. The body to body experience with her on my back never felt quite right. The table was positioned so that I

couldn't see what she was doing in the mirrors. The reach-unders were erotic and after I turned over she continued to

give Percy lots of attention. There was hardly any face to face body to body. I finally got a breast relief happy

ending despite the silicone. When I went in the shower, Zara soaped my back and rinsed the oil off.

I wish more girls

would offer to do this.

I have given Zara a recommendation, but she has not made it onto my A-List. Currently this consists of Jamie and Jayda, others were on it but they have left Ego Massage. Therefore it is unlikely that I will book her again.
