The Premises:

I'm a frequent visitor, because it's clean, bedrooms are comfortable and the parking is out of site behind the shops. It's discrete.

The Lady:

Kat is a super sexy looking young woman, early 20s, very slim, but good sized breasts. Petite. Smaller than I expected. A real pocket sexpot. I love the pictures of her naked sitting legs apart, or in the doggy position on the bed. In real life, she is prettier and sexier.

The Story:

Lots of light kissing, which was good. She offered 69, and there it was pussy straight in front of me as she proceeded to go full throttle on my dick. Nice movement, great oral, meanwhile she tasted great, her pussy opened like a flower.

Nice butt as well. I asked for oral with, but she with.

I asked her to stop and lie on her back and I started to kiss her from her neck to her pussy. She parted her legs and grabbed my cock and rubbed it against her clit. (I was wearing a condom). She teased it against her pussy and I said I wanted to fuck her, and asked if she needed lube

She said "No, I've just come". So in I went.

A great fuck.

A very nice girl, friendly, sexy and lusty.

Really need to visit again.
