The Premises:

A well-known parlor near Preston town center. Plenty of free parking just down the road. On the main road easy to find. The place is very clean and well run.

The Lady:

Lola is an Asian girl about 5ft 6ins tall. Looked a bit more overweight than in her pics, small tits, and long black hair. Very friendly and greeted me with a smile prob. in her early 30s.

The Story:

She asked me to get undressed then she gave me a nice massage. She sucked my cock and balls for which I paid her £10 extra. I licked her fanny for a few mins and she seemed to orgasm. We had sex in cowgirl then mish and deep stick kissing her all the way. This lady likes sex she had plenty of orgasms while we were shagging. I will return soon.
