Exactly as pictured. A young Thai girl with a lovely petite figure. Lovely pert breasts and a small bum.

The Story:

A really good session. It started with a shower which I needed because it was quite humid. The session started with uncovered oral and I think I could have come from that alone. I felt so relaxed in the cool room. We then had protected sex in doggy position and I just went for t. In a way the CIM might have been worth it even though that was a £20 extra.
