The Premises:

As reported many times previously.

Whereas on previous visits I've been offered the use of the sauna and hot tub facilities I was not this time, as these appeared to be being refurbished, so having to pay the £15 entrance fee is a bit much.

The Lady:

Stunning, as her pictures suggest, but even more so in the flesh.

Does have a couple of tattoos which might put some off.

The Story:

I was lucky to get the last available appointment with Tori for the day, arrived to find that she was running around 10 minutes behind schedule, but the delay was well worth it.

Started with a light massage, before going on to full proper kissing and Tori sucking me sans condom, both cock and balls.

We then switched to me attending to her pussy, with both some fingering and tongue.

On to the sex, firstly with me fucking her then to her on top.

The finish came with me wanking off whilst Tori ground her stunning cunt into my mouth.

Following a shower and post coital chat saw me leaving the premises very happy.
