The Story:

Totally enjoyed myself and loved everything about this young lady who I would totally recommend and definitely revisit again. Venue is excellent, just off Kensington High Street. Huge room with high ceilings, loads of floor space, bed sofa and lovely decor with good feeling and vibes. Harley had great energy and vibes too, she made me feel very cared for and loved, She is a great kisser hugger with warm healing touch and was perfect for me in all activities/experiences we shared together. I felt very comfortable and at ease and loved her willingness to please, great connection Thank you so much Harley xx and thank you Admiral.
