The Premises:

Not the usual place. This is the flat above the estate agents. I parked in a side street rather than in the High Street. The flat itself is spacious, clean and discrete.

The Lady:

This is a cliché, but it's true. 100% woman, big natural firm breasts, tremendous firm bum, shape my legs, and very attractive. Tremendous smile, an infectious smile, dark wavy hair. Absolutely stunning. She needs to get a new photographer, because the current photos don't do her justice.

The Story:

In short, this is the first time I've visited an agency and within 5 minutes asked if I could extend the length of the booking. From 30 minutes to 45. Once we started to kiss, I realised I needed to spend more time with this lovely lady.

She is passionate and a lot of fun.

It started with a kiss, and ended with a .. massage.

In between she was a sexual force of nature.

I've not been graphic this review, but in short can say the DFK and oral were amongst the top few

I've had other the years

Oh Lexi, if you read this , the author I mentioned was Tracey Chevalier.
