### The Story:

Zara is new to Ego and she's a great addition to the team. She's very pretty and has a great body and made me feel at ease straight away. We both got naked and I lied on the table, the massage was sensual, with soft touches in all the right places. I turned over, with a rock on and she climbed up on top of me with her pussy in my face, she asked me if I wanted my wank hard and fast or slow, to which I replied both haha. I shot my load not long after that. She's very sexy and I'll definitely be going back to see her again.
