### The Premises:

When I contacted this person she gave a built up residential Post code and number, she said there was parking directly outside but there wasn't.

When I got to the house it looked like it was just being used as a knocking shops, she opened the door and there was no furniture in the living room.

I could Eastern European males in the kitchen, and another female voices.

### The Lady:

Long jet black hair 5ft tall, slim with curves, dark tanned skin small breasts a nice curved butt. She had a nice pussy nice lickable clit, but an odour that was not normal so my tongue didn't venture.

She would be 20-24 years old several tats

### The Story:

She wasn't the original person in the images but still attractive, she took the money straight off as expected and additional fee for owo this did not indicate as extra on viva.

I Walked upstairs into a make shift bedroom, several minutes later she entered the room.

We stripped and she gave me owo, it was harsh and not very stimulating.

Then several minutes later she was already reaching for a condom,

It was very rushed and she rushed through 12 minutes rom start to finish, she was putting her clothes back on and showing me the door.

Just over £10 a minute so I am glad I didn't stay for 2 hours or pay for it either, typical Romanian rip off.
