The Premises:

A well know parlour near Preston town centre. Able to park nearby. Very tidy and clean place.

The Lady:

A half-cast girl, not bad looking about 5ft 8ins in height. I would say in her mid-30s. A bit overweight not as slim as in her Photographs. It says she is size 10 I would say more like 16.

The Story:

I was shown to the room first. Amy came in after a few mins, From the start, she was more interested in her phone than she was about me. I stripped and she gave me a massage. I asked her if she would give me oral without she said it was £10 extra which I paid. She was a bit rough at this. I then had a good lick at her fanny which she liked. She does not have much idea about how to turn a man on. Did not like me to kiss her. I had a play with her tits but she did not want me to finger her. We had sex in Mish and deep stick but could not keep hard. She was turning me off. She at the end just wanked me off. I will not go with her again.
