The Story:

Was met at the front door by this wonderful girl . Took my breath away, dressed in a white cocktail dress , I went in peck on the cheek , small talk then sorted out the paperwork. That done was shown to the shower conversation whilst in there , once done came back into the room toma was now in a really sexy bra & panty ,plenty of kissing ensued .my hands ran over her lovely body ,the bra was off nice boobys hold & played with . Pants off & towel dropped ,she led me to the bed & began owo & it as well so much so I would have come but held back ,moved to suck & lick her wet pussy tasted so very nice could hear her moaning with pleasure I want to fuck you she said . On with a condom we moved to doggy then to Amazon & missionary when I finally came .we chatting for a while I really enjoyed my time with her ,I asked about a duo which I think would be great, have to wait & see . May go back for another session with her only
