The Premises:

Easy to find location close to Oxford Circus I was on the lookout for anal with a girl with natural breasts and Jenny fitted the bill.

The Lady:

She was wearing suspenders and slippers, the latter giving a homely touch to the proceedings. She is a pretty girl but she wore too much make up.

The Story:

I got my nipples licked, bum finger fucked & cock sucked. Jenny had her pussy licked, arse fucked and she was banged in mish. There was also some tonguey kissing. The only downer is that she gassed after the 40 minute mark and was not pleased that I hadn't come by then. I think her idea was to have me toss my salad after half an hour and spend the rest of session massaging y back . As it was I didn't get the full hour and she was less than impressed when, after holding myself back, I came on her splendid tits. I was less than impressed cos it kinda ruined my orgasm when she ran to the bathroom to clean herself off.

She wasn't as happy & smiley at the end of the encounter as she was at the beginning. and when I said I would like to see her again she didn't reply. Anyone would think she had been terrorised by Rocco Sifredi which was far from the case.

Jenny should only so 30 minute appointments if an old has-been like me whose best shagging days are behind him leaves her complaining of a headache.
