The Premises:

Extremely clean flat. Somebody has OB issues and even cleaned the shower after I had finished.

The Lady:

Unbelievably gorgeous black girl who claimed to be from Atlanta, Georgia which I have no reason to doubt given her sexy America accent.

It's definitely the girl in the photo but is 5 feet 2 not 5'7" as claimed on the profile.

The Story:

We began with a massage and it was lovely to feel her fabulous arse on my back. I loved stroking and touching her body. She wouldn't let me lick her pussy citing covid which I thought a bit odd given that we were already in breach of the guidelines by meeting up in the first place. She did however suck my cock but she wasn't very good at it.

The service was fairly vanilla and her sex skills are extremely limited. However she does an incredible derriere and this is what makes a visit to her so worthwhile. It was an absolute privilege to take Somia from behind and that is why she gets a borderline neutral from me
