### The Premises:

As soon as I arrived at the specified postcode I knew it was gonna be the basement flat. After all, this was my first experience with the agency. And so I went down the stairs for my hour of fun. The flat itself was nothing special but it did have a welcoming aura because its inhabitant is such a lovely and friendly person and as I was soon to find out unbelievably dirrrty.

### The Lady:

Nicky most resembled her selfie photo.

I had a quick shower and then the session began with Nicky wearing a black skirt and white blouse and by rubbing her bum against my crotch. At first she was making fake erotic sounds that soon gave way to genuine moans of pleasure which culminated in her cumming while sitting on my face.

### The Story:

There were tongues and saliva and spit everywhere such was the kissing.

Nicky finger fucked me in the bum. Then it was her turn to take it up the arse. I enjoyed pulling out and marvelling at her gaping hole before plunging deep inside her. Nicky begged me to cum in her ass and I duly obliged after I had tired myself out pounding it.

We stopped for a breather. Nicky had a shower and when she returned offered me a massage which I accepted and is heartily recommended, if like me you are getting on a bit and have a few aches and pains.

Before we said our goodbyes Nicky drained me for a second time by allowing me to cum in her mouth.

As soon as I got home I needed to lie down. This was the most furious sex I have had since there was a big titted Brazilian girl called Lilly at the House of Divine back in 2017.
