3 visits to Anna in as many months.

She has a compact & bijou flat in Bayswater with a big wardrobe in which she keeps her vast array of costumes.

The Lady:

Visit 1 – she wore the pink dress on her Olina profile

Visit 2 – she wore the black latex dress, gloves and black stockings as seen on her AW profile (Bayswater Anna). Oh my!

Visit 3 – she wore white stockings and basque.

Anna looks like her AW profile photos.

The Story:

Visit 1 – she wore the pink dress on her Olina profile

Visit 2 – she wore the black latex dress, gloves and black stockings. Oh my!

Visit 3 – she wore white stockings and basque.

All 3 encounters followed much of the same pattern. We began with some passionate DFK. Anna got on her knees & vigorously sucked my cock. Then on to the bed for some 69. Tongues and spit everywhere. Then we took it in turn to fuck each other in the ass. On my third trip I bent Anna over in front of the mirror until she could take it no more. She said that it was her turn to fuck me in the ass. Previously she had used her fingers but this time she whipped a dildo out of the cupboard and used it on me. After a few strokes I was forced to admit defeat.

On my first visit I came twice once in her bum followed by a meagre second pop in her mouth.

Round two I came in her mouth twice

Round three I was able to hold myself back and we finished with an oily hand job all over my body. Anna is a dirty talker and constantly said she loved my hard cock and also that she fucking my ass and that I was her girl.

I am now all fucked out with Anna and it's time to move on to another girl.
