### The Premises:

4th floor of a building just off Vauxhall Bridge Road. I climbed the stairs eagerly anticipating a 30-year-old Polish honey as advertised on her profile.

### The Lady:

Instead, what I got was a 50 something babcia. She was still fit, slim legs and nice body with a cracking but probably enhanced rack. What put me off was i) she was not wearing denim shorts and blouse as promised which told me that communicating my wants would be a problem ii) she switched the light off as soon as I had switched it on.

### The Story:

And so, I walked.
