### The Premises:

Upstairs flat. Sophia was alone with Luiza who blanked me when I tried to make eye contact. I was able to discern that Luiza's face was a bit pock marked and I won't be visiting her tempting as her breasts are.

### The Lady:

If Sophia was a work colleague, I wouldn't fancy her immediately but she has a friendly face, pleasant disposition and a soft lilting voice that makes her quite sexy and I would make a move on her at an office party (pre covid). She does, however, look great from the waist down and I was drawn to the HOD images of her butt and legs.

### The Story:

We enjoyed a spot of 69 before I gave her a face face fucking as she lay on her back which was very good. Sophia has a great set of thighs and she loves it from behind. My cock hit her pussy with its best shots and she responding by squealing with delight. There was no maid and Sophia lost track of time before I foolishly asked how long I had. She replied that I had gone overtime. I asked if she would wank me off before I left and I promised to show her what I had for her. Sophia agreed and emptied me all over my stomach.
