The Premises:

Morgan was late in that day which meant that timings were up the swannee and the maid was in a bit of a tishwas. She was barking out orders to the girls and I knew beforehand that I wouldn't get my full 30 minutes which pressurised me into making sure I crammed as many positions and activities into the 20 or so minutes I had with the girl.

The Lady:

After a bit of a kerfuffle Morgan finally entered the room in her underwear. She has put on a bit of timber since I last saw in 2019 and but is still pretty. More importantly she is friendly and compliant and will do whatever you ask of her. However, gravity is starting to weigh her tits down but she does look great on all fours and the purpose of my visit was some big tit action and I was not disappointed.

The Story:

Morgan began by licking my nipples and undressing me. I asked her if kissing was allowed and she replied by sticking her tongue in my mouth and we had a bit of a snog, something which I do enjoy. Next, we retired to the bed and we took it in turns to perform oral on one another. Then it was on with the condom. I wanted Morgan on top so that I could observe her tits bouncing as she rode my cock. Morgan came in that position and was heard to gasp "fuck" as she used my cock for her own needs. I carried on fucking till there was knock on the door which stopped me in my tracks and I asked Morgan to finish me off with a tit fuck. She duly obliged by licking one nipple and stroking the other with a finger tip as I came between her tits.

Worth another visit IMO. Ditto Sophia reviewed eaelier.
