The Premises:

Mimi greeted me in THAT black dress and my wish was granted when I finally saw her in the flesh.

The Lady:

I enjoyed the session. We did all the usuals. She sucked my cock and finger fucked my bum . I spent about half of my time with her licking her pussy and another good portion fucking in mish. It was a turn on to hear say " I want you to fuck me". Unfortunately the finish was a bit ruined. She was panicking like an English cricketer in the second innings. The touches which almost brought me off in the first 20 minutes deserted her and I was forced to wank myself to completion as Mimi licked my nipples.

The Story:

I would recommend Mimi cos she does enjoy a cock inside her and she has a tight little body and looks terrific in that little black number. I enjoyed putting my hand around her waist. However there was something insincere in her smile that was off putting.

I forgot to mention Mimi and I began with an oily massage which wasn't great and I would be disappointed if I booked her for b2b.
