The Premises:

Within a large block of flats near Queensway tube station, metered parking nearby. Flat on 3rd floor is a lift but not working on my visit. Flat ok small warm cosy room used, place clean and tidy with a good feeling energy, shower facilities available.

The Lady:

Petite with small boobs but to me sexy well toned and shaped body, looked about 24. Romanian matched her profile and pictures.

The Story:

Yes yes yes, I love this young lady, sensitive perceptive caring loving with lovely smile and sparkling eyes, bubbly personality and keen to make your wants and dreams come true. There were no no's, don't's or rejections just loving acceptance and an uplifting energy. Petite, with lovely feel, tone, body shape, a caress, kiss and touch that really suited my likes. Asia made me feel very comfortable and at ease, I initially booked an hour, was so enjoying being with Asia I extended to 2 hrs. I especially loved going down on Asia, her smell taste and body felt so so good. We explored many different sexual positions and I loved and am very thankful to Asia for the way she gave me encouragement confidence and belief in myself and my sexual ability. I often worry about getting a good enough erection but with Asia there was absolutely no need for my worries. I thoroughly enjoyed the connection with Asia, her English is a little limited but we managed to chat ok. I would definitely be happy to re-visit and recommend. Thank you Asia xx and Thank you Admiral for booking this perfect very appreciated experience.
