The Premises:

Meeting took place in a hotel on the Bath Road, The venue itself was easy to find, as mentioned the postcode was provided via by Aleena along with a recommendation for parking at Heathrow Bowl. When I arrived I parked in Heathrow Bowl which is a car park affiliated with a bowling alley/arcade. It is £5 for the day or £1 if you have been bowling. There is also Pay and Display parking available along the side streets and the road on the rear of the hotel which was 2 hours for £3 if you manage to find an available slot. There were spaces when I went.

The Hotel itself wasn't that busy, but it was discreet enough to just head over to the lifts and make the way over to the room. The room itself was clean with a good firm bed and good working showers.

The Lady:

Aleena Khan is described as a 29 year old 100% Indian/Pakistani, size 12 with 36FF Breasts. I would not say she is likely in her 30's but could not argue with anything else. Aleena opened the door and was dressed in a gold sequined dress which highlighted her huge breasts and curvy bum, whilst concealing her sexy red lingerie.

The pictures on the site give an accurate idea of her amazing assets, She has big breasts with large nipples that she encourages you to suck. Aleena is a good looking lady with beautiful shoulder length hair and fair skin. I was very happy when I saw what was behind the door, and could not wait to have some action with her.

Aleena comes across as very confident, intelligent and friendly. From the moment she opened the door she was very complimentary and puts you at ease straight away.

At no stage was there any awkwardness. She just made the time feel like you had known each other for ages. I would say her personality really enhances the experience.

In terms of services, they are really clear on her profile. She has extra's listed, and whilst I didn't go for any extras I really didn't feel I missed out.

Services included GFE, DFK, Oral With, Balls Licking, Reverse Oral, Oily Titwank, Dirty Talk in English/Urdu/Punjabi and sex in a number of positions.

The Story:

My experience with Aleena Khan was a great one from the initial contact until I made my way out. The Initial contact was really easy and when I arrived I messaged 10-15 mins before the agreed meeting time to state I was parked and for her to message when she was ready. I was pleasantly

surprised that she messaged 2 mins before the agreed time (makes a nice change from those times where you are asked to wait 5/10 mins).

Once I managed to make my way to the room, I was greeted by Aleena who was initially behind the door but poked her head round. Seeing her pretty face put me at ease straight away, seeing the sexy body as I followed her in made me feel confident that I was going to have a great time.

AleenaKhan is good looking, has a warm smile with a sexy body. Having got the paperwork out the way I asked if I could take a shower, and was given a dry warm fluffy towel. The shower had good pressure, was lovely and hot with shower gel and shampoo available.

As I returned from the shower in my towel, I was greeted by Aleena who was in black heels, wearing a gold sequined dress, she smelt lovely in a sweet perfume and had some lipstick on. We embraced moving on to kissing which moved onto tongues. We had both been chewing gum, so there was a minty taste which was good.

We moved onto the bed, with me getting a good feel of her firm bum and Aleena moving between kissing and pushing her massive breasts into my face. Whilst still sitting on me she lifted her dress off, before removing her sexy red bra, to put her magnificent 34FF's on full show. I was encouraged to play and suck them (which felt amazing).

I was dry humped by Aleena before she removed my towel and started to work on my hard member.. she was wanking me whilst sucking and licking my balls, Aleena then asked if I was ok with Oil before putting a good amount on and continued to wank me before wrapping her boobs around for titwank (All the while encouraging me in Urdu/Punjabi to give her a good seeing to).

After a good few minutes of this she said she wanted my cock inside her pussy.. She got the condom on. She then boarded on cowgirl with good energy.. she felt tight and was really riding me getting the juices flowing.. She turned round and moved onto reverse cowgirl.. I was grabbing her firm curvy arse as she was bobbing up and down, I had a great view of my cock sliding in and out of her pussy.. eventually shooting my load into the dom.

Aleena helped clean me up and we sat for a while and spoke about a number of things.. She is really intelligent and easy to talk to.

I felt the urge again and after a bit of fondling made my way down to her sweet pussy, she tasted lovely down there and was encouraging me as I was licking away. She was making all the right noises.. before she moved down to me again giving another titwank and then oral (with) before getting me on for round two with missionary and doggy.. I couldn't quite manage it twice in an hour, but she was playing with herself and tried wanking me to see if we could squeeze one more out.. It wasn't happening.. so I suggested I call it a day. When we checked it was over the time anyway (no clock watching on her part at all). I requested and was afforded another shower before leaving.

All in all I thoroughly enjoyed my meeting with Aleena Khan and will definitely look to see her again. I would definitely recommend her.
