The Story:

It's annoying to write my first review as a negative one but I afraid visiting Luiza was a poor experience. She seems a nice girl and has no problems with providing sexual services but is not very good with intimacy. She did not like being kissed, caressed or cuddled which is what I wanted primarily. The worst thing was that I left a full 25 minutes before the end. Luiza did not offer to massage me or asked me to stay and looked at her watch THREE times in the first fifteen minutes alone. I used to visit HOD in London and Mk regularly especially when they had such great girls such as Nikki, Petra and Carla but I don't think I will be doing it again.
