The Premises:

Apartment about 7 mins walk from Goldhawk Road tube station. The buzzer does not work, so I had to phone the agency to let them know I arrived at Rosy's place. Rosy did tell me that the buzzer should be fixed soon. The flat is spacious and clean, with a nice sized bathroom with a bath and decent shower (with plenty of hot water). I was also greeted by a very nice and friendly King Charles Cavalier Spaniel dog (white and tan colouring).

The Lady:

The photos on the website of Rosy are accurate (although I thought Rosy looks a lot better in real life than she does in her photos). Rosy is a very good looking Thai lady, with a great body, nice breasts and lovely soft kissable lips.

The Story:

After we dispensed with the paper work, Rosy offered me a drink (I selected water) and asked if I wanted a shower, which I accepted. After my shower, Rosy helped dry me and then lead me to her bed. We started off with lots of nice deep French kissing (with plenty of tongue) and then Rosy gave me a fantastic deep throat blow job with plenty of gentle ball kissing a licking and a great rim job. I then returned the favour and licked her pussy (which was cleanly shaved and fresh as a daisy) until she came. Then it was more deep french kissing with Rosy playing with my cock and balls to get me hard again. Then on popped the condom for sex in various positions, cow girl, mish and doggy. After lots of vigorous sex, Rosy ask me to lick her pussy again as she wanted to come a second time. Which I duly obliged. After she came, Rosy returned the favour and gave me more oral sex until I came.

We had a couple of minutes to relax and have a nice chat and then Rosy gave me a nice massage (including a head massage). During the massage we had a nice chat Rosy's English is ok and any word she did not know the English for, she used Google translate to assist. After the massage concluded I had another shower and then we said our good byes.

I found Rosy to be an intelligent, well educated, friendly, sexy young lady, a good host and a great GFE service provider. Rosy is highly recommended and I definitely plan to see Rosy again for a longer booking.
