The Premises:

The meeting was in a chain hotel on the Bath Road, really easy to find and the road at the rear or side has pay and display parking available but is free after 5pm. Alternatively Heathrow Bowl is available around the corner for £5 or £1 if you have been bowling. Once in the Hotel, I just walked straight past the empty reception desk and headed straight for the lifts to head to the room.

Area is surrounded by chain hotels and is safe. The room was clean with en-suite shower facility available with shower gel and shampoo.

The Lady:

'Sexy Yasmeen' describes herself as 'Very Busty, Fresh Faced, and Super Pretty with a High Sex Drive'. When I arrived in the room I was greeted by Yasmeen in Asian attire on the top with leggings. Yasmeen is Afghanistani, aged 29 which seems about right. She has stated a size 10 on the profile with natural 36DD breasts. I would probably suggest she is more a size 12 and the natural 36DD's were very much on the conservative side, definitely looked and felt bigger. She did have a couple of moles on her body which I found quite sexy.

It may not be to everyone's taste, but Yasmeen has had lip fillers done, and they were very plump and quite solid. Whilst I generally prefer soft natural lips, she was a very good kisser, and I could not keep myself away from them. Another thing that is not evident is Yasmeen does have a few tattoo's, one on the arm, on one of her breasts and on the back of her neck. They are probably a bit surprising on her, you would not guess she had Tattoo's on first impression, however they did not bother me.

Yasmeen doesn't have a lot of pictures on the site, and the ones on there are probably not the most flattering of her figure, but she does have fantastic boobs, a lovely ass and pussy. She had long black hair which did seem to get in her way at times.

The Story:

My experience with Sexy Yasmeen was a really good one. The comms were really good and she was also flexible with the time when I tried to book, keeping me informed by text. When I messaged I had arrived, she sent me the room number immediately too, so there was no waiting on my part.

As I arrived at the room, Yasmeen said hello, and there seemed to be a touch of awkwardness between us at first. Getting the paperwork out the way Yasmeen said if i minded if she removed her

clothing, to which I obviously did not, this revealed her huge breasts barely concealed in her lacy bra, I could have dived in there and then.. but asked if she would mind me freshening up in the en-suite.

Upon my return, Yasmeen was now laying on the bed completely naked, and I was summoned to lay beside her as we moved on to a kiss and cuddle. She really is a great kisser, and the pace varied as my hands started wondering and exploring her naked body.

I started to suck on the responsive nipples whilst getting a good handful of her breasts, which seems to be something she enjoyed, before she expertly manoeuvred herself down to give the most amazing OWO with the occasional deep-throat. It really felt amazing with her shifting between a HJ and BJ. I had to repay the favour, and her shaven pussy was fresh as I worked my tongue around with good encouragement both verbally and the thrusting of her hips and grabbing my hair.

After some more OWO from Yasmeen she popped a condom on me and slowly placed my cock in her wet pussy. She started to really grind cowgirl and wanted to remain in control rather than get me to thrust. She was really grinding her pussy back and forth and encouraged me to grab and suck her tits whilst she was doing so. We moved on to missionary, and spooning all of which felt really great. She is really tight and did let out a few expletives as I was pounding, but they were not at me.. just her encouraging me to keep going.

I was struggling to pop, probably due to the long drive and general tiredness, but Yasmeen was determined with her BJ, sex in a number of positions.. and eventually we managed to get an explosion of Cum, something that Yasmeen doesn't really want to get on her, and said she definitely doesn't like the taste of (So I assume CIM or COB is out of the question).

We had a really good chat and Yasmeen encouraged me to try again for a second pop.. but I was shot and it was then we realised it was already 10 mins beyond the hour. I asked if I could take a quick shower, and she said to take as long as I need. I showered and we had a chat as I was getting dressed, and left after a very good punt.

Looking back, the slight awkwardness at the start aside, this was a really great experience for me, I loved my time with Yasmeen and whilst I would definitely want to see her again and I am sure I will, I would say Yasmeen could definitely get her pics updated to show her in better light. Her lip fillers will definitely not be to everyone's taste, so bare that in mind. And I think she really values hygiene which I feel should be a minimum for everyone to have a good time. If them boxes are ticked then this sensual Afghan lady will give you a wonderful time. She certainly did tick the boxes for me.
