The Premises:

Small flat in a block. Plenty of free parking, but a PITA to find the exact flat. Her English is not great, so directions were not that accurate.

The Lady:

***NOT** the lady in the photographs. Slim, dark hair, good boobs. Couple of scars, not unattractive, but not as nice as the photographs.

The Story:

Arrived and was let in. She was wearing some sort of leather look lingerie and heels. I asked how much for 30 min. £80 + 20 for OWO, which wasn't mentioned in her advert. Good blow job & hand action, plenty of positions and made the right noises. Overall, not bad, but not good if you know what I mean.
