The Premises:

The apartment is on the 3rd floor of a Victorian terrace. Quite a few stairs to go up , very close to Earl's court station .very clean & well laid out shower & toilet to the left of the front door & on the right side a kitchen & bedroom. Parking is not easy . Public transport better

The Lady:

Brenda is a 26yr Russian girl who is about 5ft 9in tall long blond hair ,really nice curvy body . Just like the pic on the web site .but is better In real life ,great personally good humour as well

The Story:

Was met at the top of the stairs with brenda dressed in a matching pink bra panty & suspenders, I was breathless after going up so many stairs . But I could see it was worth it . She offered to get me some water , into her nice clean apartment I was thinking the pic,s do not do her justice as she is better, sorted out the paperwork. Offered a towel & shower. Chatter while I was in shower dryer off then back to the main room . Held her close could feel her nice firm bum kissed .FK & DFK. Moved to the bed for more , to look into her wonderful green eyes brenda then moved to my cock with some OWO , nealy came had to hold back so though I'd recipate with some good licks of the pussy to get her wet . Plenty of moaning from her & the juices flowed, I want to have sex she said . On with the condom , we had some cow girl followed by missionary then doggy where I could not hold any longer & let her have my mayo . I dont think I've cum so much , we chatted for a while she's from moscow ,a very bright & talented person understand English very well ,and good sence of humour. It good to see a girl who really want you to enjoy your time with her .its good to see that brenda is not a clock watcher or even on the phone .your the centre of her attention 100%. Would I go back to see heryes I would see brenda your a real treasure .
