The Premises:

Typical HOD venue in central London. Clean and well maintained apartment. The apartment has shower facilities as well as was offered some juice on arrival. I've been a loyal customer of HOD and always love the professionalism shown by the establishment

The Lady:

Sophia is a beautiful girl in her early twenties. She is just your type of girl next door. She has got cute smile and a sexy voice and an absolute peach of a bum. She has got a beautiful smile and it's quite infectious. She has got great thighs and certainly the sort of girl I would like to see

The Story:

I was on time and so too was Sophia. She came in a stunning Lingerie and look drop dead gorgeous. She asked me if I wanted a shower which I gladly accepted since it was way too hot outside. Post my shower , I went back to the room. Sophia was waiting to play with me. She asked me what I liked. Since I was a fan of french kissing,we started kissing slowly and soon her hands was on my cock and she started rubbing it gently. The french kissing became passionate and couldn't wait to see her gorgeous bum in front of the mirror. I couldn't wait to taste her tasty bum and soon she was down in front of the mirror giving a fantastic blow job. This was one of the best blow jobs I've ever recieved. She was making lots of eye contact as well as spitting on my cock and made it so wet. What a gorgeous sight it was standing in front of mirror and watching the cock being sucked by this beautiful young girl. We soon moved over to bed and she was riding my cock with a passionate kissing just like your girl friend. This has been by far one of the best punts I've ever had in a long time and mentioned to Sophia that I will be back again to see her. This girl has got a great service mentality coupled with a great attitude.
