### The Premises:

GFE place itself is good and have good facilities.

### The Lady:

The GFE website says she is 37 but she looked a lot lot older to me.

### The Story:

I went to GFE last week and wanted to see Laura based on the reviews on GFE website. I was expecting a MILF and found a GILF. She looked nothing like the photos and photos may have been taken 10-15 years ago.

I pre-booked (without seeing the lady and based on website photos and description) and also there was no one else available so went ahead with the punt. I was hoping for a good performance in the room based on the reviews. It was my worst session so far at GFE. Really disappointed.

I paid £65 for 30mins (£20 at reception and £45 in the room) for GFE. Tried to kiss and she didn't like it and tried play/kiss with her tits and she said she is very sensitive and didn't like it. She also stayed in very awkward positions so I have no access. I wanted to get it done and go so had covered oral and sex which last less than 15 mins. wasted my money and time.

Recommended: NOPE

Will I see her again :NOPE, NEVER

I might go to GFE again as I had good experiences in the past but bit disappointed with them for misleading info about this lady on their website.
