The Premises:

Familiar first floor flat, some 10 mins walk from Victoria station. Clean, comfortable and well organised.

The Lady:

Apple is a lovely, slim, Asian woman in her early 30's. Her website photos show a true likeness, though her beautiful face is deliberately blurred for the sake of anonymity.

The Story:

I have enjoyed Apple's company and sexual pleasures on many occasions over the past few years. Whereas I am only too aware of getting older myself, Apple never seems to look any different. I am reminded of Mark Antony's words concerning Cleopatra's enduring beauty - "Age cannot wither her nor custom stale her infinite variety."

As always we enjoyed prolonged kissing, mutual oral, and fulfilling sex. As long as I have the ability, and Apple is available to me, my visits will continue of course.
