The Premises:

The usual basement flat in the Victoria area. Been described many times.
The punt occurred over a month ago, late July if I'm correct but didn't get time to do a review till now.

The Lady:

Tallish slim brunette with pale skin.
Soft Scottish accent.
The photos online are a bit unflattering and found her appearance better in person.

The Story:

Had some time to spare so decided for some fun. Freya was available on her first day so booked for 45 minutes. Made my way there and Freya came in to the room shortly after to greet me. Found her pleasant and attractive. Sorted out the paperwork for 45min.
Overall, I had a good experience given it was her first day.
Not as full on with the kissing as I'd prefer and owo could have been deeper and more proactive. However, on the whole I enjoyed my time with Freya. Tried a few positions and she put in a lot of effort to leave me fully satisfied.
I thought she was enthusiastic and had a very warm and friendly personality.
Would love to see her again but haven't spotted her on the rota so do hope she returns.
