### The Premises:

Brooklyns has a discreet back entry, inside there is a friendly, helpful maid, good showers along with large, neat clean beds.

### The Lady:

Entering the room in sparkly silver high heels and a wonderful light blue thong and bra outfit, Milly is a raunchy pocket rocket at 5'2 with large, juicy natural tits and very responsive nipples, a gorgeous arse, bright blue eyes and a seductive, playfully innocent looking face, with Milly's wide smile hinting at the naughty fun about to take place.

### The Story:

Having a rubbish day at work, I decided to cheer myself up by going to Brooklyns during break. Told by the maid that only one lady was available, the sight of Milly in a blue thong and bra gave me an instant hard-on, and I made an instant booking.

Stated on her profile that "Little Miss Milly-who loves to play with willys" Milly proved this statement to be true, when she started feeling up my throbbing cock as we cuddled. Laying on the bed, Milly mixed giving me a relaxing massage, with sensual massaging of my dick and balls. Feeling my cock get proper hard, I asked Milly if she could do OWO.

Running up my shaft, Milly performed an excellent blowjob, with her luscious full lips taking every inch with a smooth speed and a fantastic depth. Wanting to show my thanks, I gave Milly's stunning big tits a long, sensual sucking. Putting the rubber on, Milly gripped my chest and gave me cock a proper hard fucking, with Milly's wet pussy lips gripping every inch.

Switching round, Milly lay on the bed as we went into missionary. Wrapping her legs round me, Milly was perfectly in synch with each thrust. Feeling horny as fuck, I got handful of Milly's fantastic boobs as we shagged hard until I spunked deep in her pussy. As we freshened up afterwards, Milly and me chattered about what we had planned for the rest of the week, until Milly gave me a sweet farewell hug, as I left with a new spring in my step.
