The Story:

Greeted at the door by Charlotte herself dressed in stockings lingerie and heels and then shown in to the bedroom chatting all the way . We then sorted out the paperwork and was offered a shower and after showering came back into the bedroom where Charlotte was waiting on the bed . She asked me if she wanted for me to keep her heels on to which I said no as I'm only short myself so she kicked them off and asked if I wanted a massage to which I replied no . She then asked whether she should carry on wearing her lingerie but that came off quickly and she started with some vey nice DFK whist fondling my old chap before dropping to her knees for some OWO which left my legs shaking with her gentle technique . It was then onto the bed to return the favour which from the sighs and moans of pleasure she thoroughly enjoyed so much so she orgasmed at least twice . It was then some more DFK ad mutual fondling . And then more OWO and on with the rubber and into doggy and a quick climax for me and the use of my fingers and DFK to finish her off . And then some more chatting as I got dressed . Would I return without a shadow of a doubt . A lovely lady who gives a great service and I look to a hour in her company .
