Height

Was gobsmacked after her heels came off, she is a short

Looks/attitude

6/10

I'm no diamond, but she has a very seductive way of dressing up that made me aroused quick. She is blonde and likes talking dirty which makes up for her low enthusiasm. Doesn't look like she goes to the gym as her body has no defined shape/figure. Doesn't look like a MILF

The Story:

I booked a semi-decent hotel room for an outcall in Sutton as I work nearby. I have been looking for a decent English SP, and at the very least FB sensual massage.

I was happy to get in touch with Chloe. In all honesty she was one of only a handful that replied back to me.

The punt started with a few pecks on the cheeks and then within moments we were rolling on the bed. I slowed things down as I requested a massage to start. It was nothing special, moderately firm at times, with plenty of oil and b2b wipes. She did my arms, shoulders, and neck. But not my lower half which felt strange at first.

Action picked up when I turned over and I was hard from her dirty talk. So to stop her talking told her to put a jimmy on me and give me sucking massage there. Instead of her massage my legs. Her oral skills are surprisingly good as she has strong suction. But I felt slightly disappointed as her version of deep throat didn't feel as deep as I thought deep throat meant. She positioned into 69 and allowed a lot of foreplay. Pussy smelt clean and fresh. She was smooth as silk and no hair visible in the slightest. But her pussy seemed tight even with two fingers she was making loud groans. Unsure if faked.

I felt the massage lacked effort. As it was a two hour booking, I gave up on time wasting for the massage. We ended up spending a decent time fucking (1 came twice). She is fairly flexible but to start she lubed up, cow girl, Mish, doggy and reverse cow girl was probably the best as her arse is nice.

In conclusion nothing special. What ruined it was her attitude which was sometimes bold and robotic. I even had drinks in the room ready, but not even a thank you. Seemed she just wanted to get it over and done with and leave.

Positives

English blonde

Dirty talker

Giving/receiving oral

Negatives

Pussy needed lube to start, and more later

Cold attitude

Hotel/location was not discreet, I wanted to do an incall with her but claimed her place was being renovated. It's seems she like the hotel which was close by her. But far for me which I explained. Didn't seem to care

Would not book again, would prefer someone older English speaker closer to Purley/Croydon. And is multi skilled in massage and more polite. I felt she charged me alot of money, overpriced. But given my circumstances I went for the gamble
